Colostrum⁶

Certified 6-Hour Colostrum Supplement

Whole Food Insulin-like Growth Factors: Rejuvenates and supports the immune system; direct carbohydrate and protein metabolism.

Whole Food Growth Hormone: Initiates new cell generation and tissue repair.

Thymosin (alpha & beta chains): Stimulate activation, development and maintenance of the immune system.

Thymulin: Controls immune response intensity.

Immunoglobulins (IgG, IgM, IgA): Helps protect mucosal surfaces.

Transfer Factors: Provides protection against bacteria.

Lactoferrin, Lysozyme & Lactoperoxidase: Inhibits growth and helps destroy harmful bacteria.

Leptin: Suppresses appetite; directs fat metabolism.

Vitamin-binding Proteins: Facilitates absorption of B-complex vitamins.

Mineral-binding Proteins: Bind iron, copper and calcium for absorption.

Cyclic Adenosine Monophosphate: Provides energy for metabolic reactions.

Casein: Complete protein; provides eight essential amino acids needed to build new proteins.

Backed by 24 years of research and 3rd party testing with more than 130 Editorials. Validated by Dr. Don Lein, Professor Emeritus, Cornell University and ranked #1 in the world. Winner of the People's Choice Award and Reader's Choice Award. . . MULTIPLE TIMES!
